People are relocating to Wichita, KS to get trained and employed in the
À] š]}v]v μ•š Œ Ç š Z v | free tuition scholarship program.

The scholarship promises paid tuition and fees for training in a high and career field, a guaranteed
job interview, paid relocation costs, housing and living stipend, and a potential sign bonus.

growth in their aviation and manufacturing operations. WSU Tech, the largest technical college
in Kansas,

Romar Tallie of Hattiesburg, Miss., was searching for a change when he saw a social media post about the Wichita Promise Move Program. The program looked so good, he even convinced his brother, Robert Tallie, and mother, Mardavi Howard, to make the move from Mississippi to Wichita.
