

It is imperative that a \_\_\_\_\_ be established at the beginning of the internship. This allows all who are involved to understand what the student will hope to accomplish and will be a yardstick for measuring student accomplishment. The job description should be made up of work-related duties that have been mutually agreed upon by the ***student and site supervisor*** for the length of the applied learning assignment.

Please list \_\_\_\_\_ applied learning *responsibilities* (e.g. – budget preparation):
