

Faculty Senate Agenda

Informal Statements

Nick Solomey – Academic Rules should apply to Athletic Programs (see following slides)

KBOR academic rules should apply to athletic programs

Kansas funds to the State Universities distributed by KBOR needs to be spent on viable programs. This should apply to athletics, so only athletic program that can meet two or

Some exceptions needed for equality rules:

I like going to baseball, attended

Pause Sports Stadium Construction

- Many Universities that had major financial problems cite the collapses due to overspending in construction.
- I suggest the Faculty Senate ask the University to pause and reconsider the massive sports facility constructions planned.
- We should not
