

Wichita State University Performance Report AY 2018

Indicator 1: Increase number of certificates and degrees awarded

Description: Wichita State University campus-wide multi-pronged collaborative approach (includes a student success course [first-year seminar], intrusive advising tools, supplemental instruction, tutoring services, and an early alert system [SEAS Student Early Alert System]) aimed at increasing retention and graduation rates and increasing the number of degrees awarded.

Outcome/Results: The number of certificates and degrees totaled 113 above the baseline. The increase was the result of a concerted effort across campus to increase retention. Additionally, encourages students to take 30 hours in an academic year to facilitate student graduation in four years. A recent expansion of summer course offering support this initiative.

Indicator 2: Increase the percent of STEM degrees conferred

Description: Several initiatives are underway to increase the number of STEM discipline graduates. Funding from the State University Engineering Act has allowed the College of Engineering to hire additional faculty and support staff to allow increases in enrollment. Once students matriculate, the university will track the number of STEM degrees conferred.
