

Reverse Transfer

Students who transfer to Wichita State University from Butler Community College before attainment of the Associate in Science degree at the time of transfer, and who are subsequently admitted to Wichita State University for the attainment of the Associate in Science degree, provided that at the time of enrollment at Wichita State University the student is in good academic standing, shall be eligible to receive credit for the degree requirements completed at Butler Community College.

Modification of Agreement

This agreement shall only be modified in writing with the approval of both the original signatories.

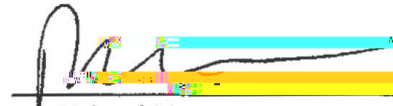

Terms of Agreement

The agreement will begin with the 2020-2021 academic year.

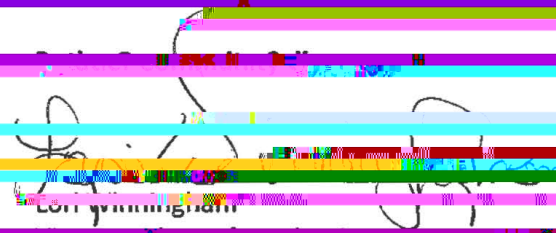

Termination of Agreement

Either party may terminate this agreement at any time. If a student terminates this agreement, the student will be permitted to complete the program as described in the agreement.
