

Students, who transfer to Wichita State University from Butler Community College with a Bachelor of Science degree, are eligible to reverse transfer courses that have WSU/BCC equivalency back to Butler. This allows for the attainment of the Associate in Science degree at Butler. The following are the requirements for the degree:

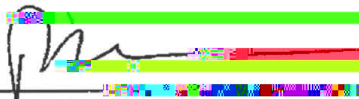

Modification of Agreement

Terms of Agreement

The agreement will begin with the 2020-2021

Termination of Agreement

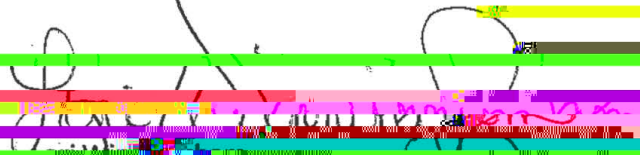

Either party may terminate this agreement for any reason. If either party terminates the agreement, the other party shall include an agreement that the student be permitted to complete the program as described herein.
