WSU DIVISION OF INDUSTRY & DEFENSE PROGRAMS (DIDP) F&A RATES AND DEFINITIONS

Sponsored projects that are administered by the Division of Industry & Defense Programs Office of Research

The following predetermined rates for facilities and administration (F&A) have been negotiated with the Department of Health and Human Services and are applicable to all sponsored projects that are administered by the WSU Division of Industry & Defense Programs (WSU-DIDP). For projects that are administered by the Academic Affairs Office of Research, please refer to the WSU rate sheet.

DIDP Organized Research	35.0%	26.0%
DIDP DoD Uncapped	37.5%	28.5%
Other Sponsored Activities	19.0%	17.0%
Instruction	50.0%	26.0%
	On-Campus	Off-Campus
Commercial	63.61%	41.61%

RATE DEFINITIONS

Organized Research

Research means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. The Organized Research rate applies to all sponsored research and development activities that are separately budgeted and accounted for, and

Last Updated October 19, 2023

performing as a subrecipient in support of a federal grant/cooperative agreement and WSU does not meet the definition of a contractor or subcontractor under the Federal Acquisition Regulation (see FAR 44.101).

TIPS & TRICKS

Tips for determining the appropriate F&A Rate in the circumstances are outlined below:

1. Consistency
