## Annual Report Academic Year 2017

Wilson College has a rich history of providing a liberal arts education. In 2017, we celebrated our 100th anniversary. We have a new office, new staff and expanded services to include First-Year Advising.

With the addition of our new office in 2017, we have expanded our services to include First-Year Advising. We have also expanded our services to include First-Year Advising. We have also expanded our services to include First-Year Advising.

## Campus Location

Our office moved to Ladies Hall in March 2017, as we expanded our staff. Our new office space allows us to be in a more strategic location on campus, next to other student services offices.
