

The Hertz logo is displayed in a bold, white, sans-serif font. It is positioned in the upper left corner of the page, set against a background of a stylized, colorful map of the United States. The map is composed of various colored dots and lines, creating a vibrant, abstract representation of the country's geography. The colors include shades of blue, green, yellow, orange, and red. The Hertz logo itself is white, providing a strong contrast against the colorful background.
