Step Four: Searching for On-Campus Jobs

Once you've read the job advertisement, click on the "Apply" button. You will be taken to a page where you can create a profile. You will need to provide your name, email address, phone number, and a resume. You will also need to provide your current address and a list of your previous employers. Once you have completed your profile, you can search for jobs. You can search by department, location, or job type. You can also save jobs that interest you and apply to them directly.
